(f) *Termination.* If, subsequent to the issuance of an exemption order, the Director has reasonable grounds to believe that exemption from the registration requirements in the particular case is not in the public interest, the Director may, after issuing a notice and giving the respondent an opportunity to request a hearing within fifteen days of receipt of the notice, terminate the exemption order. The basis for issuing a notice may be apparent omissions or misrepresentations in the documents submitted to the Director, the conduct of the developer or agent, such as unlawful conduct or insolvency, or adverse information about the real estate that should be disclosed to purchasers. Proceedings will be governed by §1012.238.

§ 1010.18 No Action Letter.

(a) If the sale of lots is subject to the registration requirements of the Act but the circumstances of the sale are such that no affirmative action to enforce the registration requirements is needed to protect the public interest or prospective purchasers, the Director may issue a No Action Letter.

(b) To obtain a No Action Letter a developer must submit a request which includes a thorough description of the proposed transaction, the property involved, and the circumstances surrounding the sale.

(c) The issuance of a No Action Letter will not affect any right which a purchaser has under the Act, and it will not limit future action by the Director if there is evidence to show that affirmative action is necessary to protect the public interest or prospective purchasers. In no event will a No Action Letter be issued after the sale has occurred.
